# STRATEGIC GOALS

Benefit from the **positive momentum** in the Greek market; with an aim of ensuring an increased recurring income

- Lack of new stock

- Increased tenant demand for quality spaces

- Increase in rents

- Compressing yields

Strong emphasis on **green portfolio of office** aiming to become the **biggest green office owner** in the region

**Increase** exposure in **hospitality** assets

**Reduce** exposure in **non-core** and **mature** assets (including a gradual disposal of the Italian portfolio)

# INVESTMENT APPROACH

*PRODEA has a strong track record achieved with a well-defined strategy*

## Disciplined acquisition

- Acquisitions driven by **fundamentals** and a long-term holding mentality
- Emphasis on **long-term net yields** which will support long-term stable dividends
- **Best-in-class** quality of product
- **Best locations** with long-term attractiveness for local and international tenants
- Pursue **development assets** or **existing assets** with repositioning potential and/or strong real estate fundamentals

# MACRO RECOVERY MOMENTUM IN GREECE

*After significant reforms to aid the country's recovery from deep economic depression, Greece's macro-outlook has strengthened, boosting investors' confidence in the country's prospects. The current political stability, combined with the robust economic recovery and momentum, position the country favorably for an anticipated return to Investment Grade.*

## Real GDP Growth (%)

## GGB Yield (10Y)

## Unemployment Rate (% of Labor Force)

## Foreign Direct Investment (€bn)

# Favorable Greek RE sector fundamentals

*Despite the evident contraction of the RE yields in Greece over the last 5-6 years, they are still attractively trailing behind those of other EU countries*

## Evolution of Real Estate Yields in Greece

**By viewing or receiving this presentation, you are agreeing to be bound by the following limitations.**

This corporate presentation (the **CP**) has been prepared by Prodea Real Estate Investment Company Societe Anonyme (the **Company**) and has not been independently verified. The Company does not undertake to update the CP or the information included herein. As such, this CP and the information included herein remains subject to any future corporate presentation or announcement issued by the Company in accordance with the law.

No representation, warranty or undertaking, express or implied, is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or opinions contained herein and nothing in this CP is, or shall be relied upon as, a promise or representation. None of the Company nor any of its affiliates, nor their respective employees, officers, directors, advisers, representatives or agents shall have any liability whatsoever (in negligence or otherwise, whether direct or indirect, in contract, tort or otherwise) for any loss howsoever arising from any use of this presentation or its contents or otherwise arising in connection with this presentation. The information and opinions in this presentation are provided as at the date hereof and subject to change without notice. It is not the intention to provide, and you may not rely on these materials as providing, a complete or comprehensive analysis of the Company's financial or trading position or prospects.

This presentation does not constitute investment, legal, accounting, regulatory, taxation or other advice and does not take into account your investment objectives or legal, accounting, regulatory, taxation or financial situation or particular needs. You are solely responsible for forming your own opinions and conclusions on such matters and for making your own independent assessment of the Company, the Company's business operation and financial condition. You are solely responsible for seeking independent professional advice in relation to any of the above. No responsibility or liability is accepted by any person for any of the information or for any action that may be taken by you or any of your officers, employees, agents or associates on the basis of any information included in this presentation.

Financials contained in this presentation are either historical financial information that are extracted from the Audited Financial Statements for year 2021 and 2022 or other financial information based solely on Company's management's accounts and estimates. Any such financial information, including certain information regarding the businesses and the assets of the Company, have not been audited, reviewed or verified by the Company's statutory auditor or any other independent auditing or accounting firm. As such, one should not place undue reliance on such information. The inclusion of such financial information in this presentation should not be regarded as a representation or warranty by the Company, its affiliates, advisors or representatives or any other person as to the accuracy or completeness of such information's portrayal of the financial condition or results of operations by the Company and should not be relied upon in the context of any investment decision.

This CP also includes certain non-IFRS financial measures and other metrics which have not been subject to any financial audit for any period.

In any case, any historical financials or other financial measures and metrics referring to past performance should not be regarded as an indication, forecast or representation by the Company or any other person regarding the Company's future performance.

Certain financial and statistical information in this presentation has been subject to rounding off adjustments. Accordingly, the sum of certain data may not conform to the expressed total.

The Company uses several key operating measures, including NAV, EBITDA, Adjusted EBITDA, Adjusted EBITDA Margin, FFO, GAV, and LTV, to track the performance of the Portfolio and business. None of these items are a measure of financial performance under generally accepted accounting principles, including IFRS, nor have these measures been reviewed by an external auditor, consultant or expert. These measures are derived from management information systems. As these terms are defined by our management and are not determined in accordance with generally accepted accounting principles, thus being susceptible to varying calculation, the measures presented may not be comparable to other similarly titled measures terms used by others.

## Forward Looking Statements

Certain statements in this presentation are forward-looking. This presentation also includes certain forward-looking information related to the Company's pipeline. Such information is given only based on Company's reasonable expectations or estimates as of this date and the Company is under no obligation to provide any update as a result of new information, future events or otherwise.

By their nature, forward-looking statements involve a number of risks, uncertainties and assumptions which could cause actual results or events to differ materially from those expressed or implied by the forward-looking statements. These include, among other factors, changing economic, business or other market conditions, changing political conditions and the prospects for growth anticipated by the Company's management, the inherent investment risks in the commercial real estate classes in which the Company invests, fluctuations in economic and real estate market conditions affecting our income and the exposure to risks associated with borrowings as a result of our leverage. The Company's ability to complete the acquisitions in the pipeline on the terms set out therein or at all is subject to numerous risks, including but not limited to competition, availability of financing, due diligence and market conditions. These and other factors could adversely affect the outcome and financial effects of the plans and events described in this presentation.

Although the Company believes that it has used all reasonable assumptions for the targets, estimates or expectations expressed or reflected in the forward-looking statements included in this presentation, it can give no assurance that such targets, estimates or expectations will be attained.

Forward-looking statements contained in this presentation referring to past trends or activities should not be taken as a representation that such trends or activities will continue in the future. Our ability to implement forward-looking information is subject to uncertainties and contingencies, some of which are beyond our control, and no assurance can be given that we will be able to reach our targets or that our financial condition or results of operations will not be materially different from such information. In addition, even if our results of operations, including our financial condition and liquidity and the development of the industry in which we operate, are consistent with the forward-looking statements contained in this presentation, those results or developments may not be indicative of results or developments in subsequent periods.

The Company does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. You should not place undue reliance on forward-looking statements, which speak only as of the date of this presentation.

THIS PRESENTATION DOES NOT CONSTITUTE OR FORM PART OF ANY OFFER FOR SALE OR SOLICITATION OF ANY OFFER TO BUY ANY SECURITIES NOR SHALL IT OR ANY PART OF IT FORMS THE BASIS OF OR BE RELIED ON IN CONNECTION WITH ANY CONTRACT OR COMMITMENT TO PURCHASE SECURITIES OR OTHERWISE.
